# Alumni Speak

At CU, I excelled in academic as well as other co-curricular activities. With a brilliantly aligned course structure, CU has opened the doors for getting lucrative jobs. The two years at Chandigarh University were the most important years of my learning. Taking admission in Electrical Engineering Programme was surely the best decision of my life.

**Ashiesh Kumar** - Placed in Jupiter Solar Power

I am indebted to Chandigarh University which has put in great efforts to groom me into a true corporate professional. The years spent here have been full of learning opportunities and gathering knowledge both academic and practical.
