CHANDIGARH UNIVERSITY - A TRULY WORLD-CLASS INSTITUTION

Chandigarh University is a leading Indian institution offering its students a unique amalgamation of professional and academic excellence. We are amongst the top 5% universities of India to be accredited with the prestigious NAAC A+ Grade and ranked 2nd among the private universities in India as per the QS Asia University Rankings 2023.

Located in the vicinity of the City Beautiful in India, Chandigarh University has a sprawling 200-acre smart campus with world-class infrastructure and facilities. Home to students from 28 Indian states, its 8 Union Territories, and 54 countries around the world, CU has transformed into a unique learning universe that amalgamates the spirit of multiculturalism, diverse ethnicities, and hallowed traditions from across the world.

The University provides a global perspective to facilitate students with international learning opportunities through partnerships with over 443 top-ranked universities in 86 countries.

ALUMNI SPEAK

I am indebted to Chandigarh University who has put great efforts to groom me into a true professional. The years spent here have been full of learning opportunities and gathering practical and academic knowledge which has brought an added value to my life. I would like to specially thank my faculty for giving me a good platform for my career growth.

Ajay Kumar

Assistant Engineer (Bridges)
LEA Associates South Asia Pvt Ltd.

I am highly grateful to Chandigarh University for availing the best exposure at the academic and industrial level. The guidance I got here from the faculty members of the Civil Engineering Department has helped me a lot in my career. The industrial collaboration for training and internship programs is really helpful for the engineering students to get an amazing experience before stepping into the professional sectors. Due to these collective efforts, I got placed in the leading company with a handsome salary package.
