About Chandigarh University

Chandigarh University is a leading Indian institution offering its students a unique amalgamation of professional and academic excellence. Today, we are among the top 5% universities of India to be accredited with the prestigious NAAC A+ Grade and rank among the top 1.7% institutions in Asia as per the QS World Rankings for the Asian region.

Located in the vicinity of the City Beautiful, Chandigarh University has a sprawling 150 acres smart campus with world-class infrastructure and facilities. The dual vision of innovation and excellence has made the University students' favorite destination to fulfill their academic and career goals.

Home to students from 28 Indian states, its 8 Union Territories, and 54 countries of the world, CU has today transformed into a unique learning universe that amalgamates the spirit of multiculturalism, diverse ethnicities, and hallowed traditions from across the world.

CU is in partnership with 360 globally reputed institutes spreading over 76 countries, ensuring global exposure and ample career opportunities for students.

The University is offering 250+ programs, ranging from the Graduation level to the Ph.D. level.

About The University Institute of Teachers Training & Research

Impeccable in its stature, University Institute of Teachers Training & Research at Chandigarh University promises to impart new-age teaching skills paired with the aesthetics to understand and tackle multifarious education industry problems. We intertwine classroom learning with state-of-the-art infra-facilities and enriching field experience to bridge the gap between content knowledge and effective pedagogy.

About The Conference

The National Education Policy 2020, outlines the vision of India's new education system. The policy recognizes and identifies teachers and faculty as the heart of the learning process. As envisioned by Hon'ble Prime Minister Shri Narendra Modi ji, the Policy will empower teachers of India and lists out various reforms for their recruitment, continuous professional development, service conditions, etc.

University Institute of Teachers Training And Research, Chandigarh University is organising a National Conference “National Education Policy 2020: Implications for Teacher Education” on 3rd June, 2022.

Objectives of the Conference:

- To understand the implications of NEP 2020 on education excellence in schools and colleges.
- To discuss new techniques and methods for enhancing competency of teachers.

Outcomes of the Conference:

- To identify relevant Innovative Pedagogical Approaches used in the education sector.
- To deliberate upon creating global standards among teachers.
