Faculty Initiatives on Teaching and Learning

Faculty initiatives in teaching and learning encompass a range of efforts initiated by individual faculty members with an objective to elevate the standard of education and enhance the outcomes of student learning. These initiatives manifest in diverse formssuch as use of ICT, instructional methods, assessments, evaluation and inclusive class rooms that lead to effective, efficient, and engaging instructions.

In this regard, all faculty members are required to mention the **INNOVATIVE TEACHING LEARNING initiatives taken in past/ in practice at present** to enhance the quality of teaching-learning process:

Faculty Name: Dr. Kapil Kapoor **Employee ID:E13424**

Detailed Description of the initiative undertaken along with supporting evidence (Photos/ Email/ Allocation Proof, etc.)

Description:

"Team Building Exercise" executed to impart the knowledge of importance of how to manage a team and achieve desired objective.

The activity was taken amongst the students to make them realise how imperative is for them as a management graduate to realize that managing a team effectively and leading it to desired organisational objective is key Mantra for the success of organisation.
