10	Community Engagement	
11	Project based Learning	
11	Any Other, please mention	**PPT**

Detailed Description of the initiative undertaken along with supporting evidence (Photos/ Email/ Allocation Proof, etc.)

Title of Presentation: Emerging IT Trends

Objective(s) of the Presentation:

- To introduce the class to the latest trends in Information Technology (IT)
- To explore the impact of these trends on businesses and individuals

Key Points Covered:

1. **Artificial Intelligence (AI) Advancements:**
    - Overview of recent AI developments, discussing breakthroughs in natural language processing and computer vision. The inclusion of real-world examples demonstrated the practical applications of AI.

2. **Cybersecurity Innovations:**
    - The section on cybersecurity was insightful, covering the latest strategies and technologies to combat evolving cyber threats

Strengths:

- Clear articulation of complex IT concepts
- Well-researched and up-to-date information on current trends
- Engaging visuals and examples to illustrate key points
- Smooth transitions between different IT trends

Overall Assessment:

- The presentation effectively achieved its objectives, providing the class with a valuable insight into the latest IT trends. Students' collaboration and enthusiasm contributed to a positive learning experience.
